

The "Stay & Play" Wednesday garderie service at the HQ Staff Centre offers a diverse range of activities delivered by experienced caregivers. Parents have the flexibility to register for just a few hours of care, or can reserve for several dates in a month. The garderie is not just supervision; we create a fun and educational environment with games, crafts, and skill development. Parents can add 'a-la-carte' sport activities and lunch according to the needs of their child(ren).
